This was determined on and accomplished, before any other party thought of such a policy. But the question, important though it is, is overshadowed by a much graver one here in this district. Will the electors vote at all next August? Will the legal voters of Louisville be allowed to exercise the elective franchise in this city, in electing a judge; or shall our judges, clerks, Commonwealth's attorneys, be nominated in secret, and the order for their election carried out by clubs and brass knuckles? Such has been the practice in Louisville for the past twelve months and no security is yet offered that it will not be Jacob Haws in to-day's paper. He has a large so again. Whilst we are told that the contest is between Americanism and foreignism, or between natives and foreigners; and whilst mean pas sions are excited by falsehood and abuse, no peace is to be expected. We predict it now, and the light of all history points to it; if this republic gion, they will end the republic. The fruits celebrated Westphalia hams. of them in her brief experience are worse even than any one anticipated. Let us see then, first, if the people of this city shall be allowed to elect their own judicial offices at all; let that he settled, and then we can discuss the policy of party nominations.

From Kansas. We copy the following correspondence of the St. ouis Democrat, (Free State):

LAWRENCE, KANSAS, April 27, 1856. This morning an officer came into our city from Col. Sumner's camp on the opposite side of the river, bringing the following letter to Governor

HEAD QUARTERS 1ST CAVALRY NEAR LAWRENCE, April 27, 1856. SIR: As there are no municipal officers in the town of Lawrence, I think proper to address you before returning to my post. The recent attempt upon the life of Sheriff Jones will produce great itement throughout the Territory and on the souri frontier, and I consider it of the utmost mportance that every effort should be made by our people to ferret out and bring to justice the owardly assassin. It is not too much to say, that the peace of the country may depend upon it, for if he is not arrested, the act will be charged by he opposite party upon your whole community This affair has been reported at Washington, and whatever orders may be received will be instantly carried into effect. The proclamation which reaires obedience to the laws of the Territory, as ney now stand, until legally abrogated, will cerainly be maintained, and it is very unsafe to give need to people at a distance who counsel resistance. If they were here to participate in the danger, they would probably take a different view of thi matter. I am, sir, very respectfully, your obedient servant. E. V. SUMNER, ent servant.

Col. 1st Cavalry Commanding.

To Mr. CHAS. ROBINSON. By the same officer, the following reply was for

warded to Col. Summer: LAWRENCE, K. T., April 27, 1856,

Six: Your note of this morning is received, and n answer, permit me to say that the cowardly at-ack upon Mr. Jones receives no countenance tack upon whatever from the citizens of Lawrence, but of the contrary, meets with universal condemnation and if the guilty party can be found, he will most certainly be given over to justice. It is and has been the policy of the people of Lawrence to yield rompt obedience to the laws and officers of the 'ederal Government, and as Mr. Jones was acting with the authority of that government on the officially for them; but from what I know of their feelings and disposition, I have no hesitation is saying that they will ever be found loyal citizen of the government, and ready to do all in their As an evidence of the public sentiment of this

fully, your ob't y ery respec CHARLES ROBINSON. To Col. E. V. Sumner. Gen. Whitfield left Lawrence on the morning after Jones was shot, saying that he cons this city a very dangerous place, and must leave it for fear of being assassinated. The Genera who would have knocked any one down that dared in Washington to accuse him of being afraid to visit Lawrence, returned to-day, doubtless very much pleased to learn that his life is not in dan-Daring his absence from this city, Mr. Oli ver has been acting as his attorney before the Congress Commissioners of which he himself is a mem-

This morning, Sam Lattus, with 30 U.S. dragoons, came into the city from Lecompton, with his pockets full of warrants, to arrest some free State men. The whole company came down with a rush upon the residence of Mr. Speers. Lattus opened the door, and as he looked in a bucket of hot water was thrown in his face by Mrs. Speers He retreated rather hastily, and the officer of the troops came forward, was invited into the house and permitted to search it for Mr. Speers Mrs S. has great respect for U. S. officers, but Sheriff and such like are not permitted to enter her dwell ing. Lattus has since resigned his office, and man named Wallace has been appointed. The troops are now quartered at Franklin. The Kick spoo Rangers are encamped on the opposite side of the river. Col. Sumner, and troops under his command, left for Fort Leavenworth yesterday. The Lawrence boys are getting ready to give the Rangers a warm reception. The cannon are in

readiness and a picket guard is out to-night. SHERIFF JONES DEAD.

S. J. Jones, Sheriff, of Douglas county, K. T. basely assassinated by a cowardly wretch insti-gated by the traitors of Lawrence is dead! We also learn that the abolitionists have assassizated another pro-slavery man named Harper. Anarohy, and indeed, civil war now hovers over that un happy territory. Through the instigation of Reeder and Robinson, and other leaders of the rebels of Kansas, no man, woman or child—not of them—is safe from the balls of Sharpe's Rifles or the dagger of the midnight assassin. This state of things cannot long remain. Either law and order must be established, or the reign of terror is firmly fixed.

We have received the proceedings of the law and order meeting of Lecompton, in the Union extra, comprising a true and full history of Reeder and Robinson to inaugurate a civil war and ra-pine, and the fiendish assassination of Jones, but being too long for this issue, we shall insert the

We are greatly mistaken if speedy vengeance be not soon visited upon the bloody traitors of Kansas by an outraged people. Black Republican rule must come to an end in the West!

To the Public

OF THE UNITED STATES An advertisement of Mr. UDOLPHO WOLFE, lately published, as I suppose, for the protection of his Schiedam Schnapps against counterfeiters, has come under my observation; and, being engaged in the manufac ture of Schiedam Schnapps, were I to let it pass without notice, I might be considered among those he denominates "Pirates and Venders of Poison." But the im mense patronage and success that has attended the sale of the article manufactured by me, and the opinion of competent judges as to its qualities as a beverage and its medicinal virtues, precludes the possibility of the idea that I am included among those he designs to impugn. No doubt he feels aggrieved at the depreciation of the sale of his Schnapps, which is manifest to all, since mine has been brought into competition with his. Not only have I succeeded in competing with him quality, but the constant and increasing demand for my article will soon satisfy him that his caution to the citizens of the "Southern and Western States" will avail him nothing as far as I am concerned. The character of my Schie lam Schnapps is too well established in those States to be injured by any such invidi-ous publication. The motive of his advertisement is obvious to every one, and feeling well satisfied that al my feet. I will here, for the satisfaction of the public. publish my Copy Right, entered in the Southern Dis rict of New York, on the 28th of December, 1854

GOPY RIGHT.)

SOUTHERN DISTRICT OF NEW YORK, SS.
Be it remembered, That on the tweaty-eighth day of December, Anno Domini 1894, Barnard L. Simpson, of the said Justrict, hath deposited in this office the title of a print or label, the title of which is in the words following, to wit: "Barnard L. Simpson's Aromatic Schiedam Juniper Schnapps, a superior Tonic Anti-Dyspeptic Invigorating Cordial," the right whereof he claims as author and proprietor, in conformity with an act of Jongress, entitled "An act to amend the several acts respecting copy rights." GEO. W. MORTON, Clerk of the Southern District of New York.

The word Schiedam Schnapps is derived from a town in Holland, called "Shiedam," which is celebrated as a (COPY RIGHT.)

in Holland, called "Shiedam," which is celebrated as a place of extensive juniper plantations and numerous distilleries of the above article, which has been known as "Schnapps" for centuries. Does it not appear, now, poor and deceitful for U. W.

to attempt to make a wrong and un'rue impression on the public by asserting that the name "Schiedam U. The great and increasing demand for my Genuine hiedam Schnapps in Louisville, and throughout Ken tucky, has induced me to appoint Messrs. CLARK & w, Wholesale Druggists, No. 509 Main street, as my agents for supplying the trade at my regular prices, and they will always be furnished with a full stock of oth quarts and pints, safely packed, in good shipping

I take pleasure on this occasion to tender my sincere thanks to the public in general, and to my friends in particular, for the kind liberality with which they have atronized me from my commencement of this enter prize, and I assure them that I shall continue to providethem always with a genuine and superior article of Schiedam Schnapps. Caution to Western Merchants! WOLFE'S

Schiedam Aromatic Schnapps. This celebrated medicinal beverage is manufactured at the factory of the undersigned, at Schiedam, Holand. He is the sole importer, as well as the exclusive manufacturer of the article; and no preparation bearing the name of "Schnapps," that is not procured either from his establishment in New York, or from his agents in other cities, is genuine and reliable.

It is made from barley of the finest quality, selected with great carefrom the products of the most celebra-ted grain-growing districts; is flavored with the essence of the aromatic Juniper Berry of Italy, and igrectified by a peculiar process, which expels from the spirit every acrid particle.

As a means of preventing and correcting the disagreeable and often dangerous effects produced upon the stomach and bowels by a change of water-a visitation to which travelers, new settlers, and all unaccliated persons in the west, the south, and southwe are peculiarly liable—the Schiedam Aromatic Schnapps will be found absolutely infallible; while, in cases of dropsy, gravel, obstruction of the kidneys, diseases of the bladder, dyspepsia, and general debility, it is re commended most emphatically by the most distin-guished members of the medical profession. It is put up in quart and pint bottles, in cases of one lozen, with the name of the undersigned on the bottle

and cork, and a fac-simile of his signature on the label For sale by all respectable druggists and country mer-cants. UDOLPHO WOLFE, Nos. 18, 20, and 22 Beaver street, New York. CAUTION TO THE PUBLIC.

Since the introduction of my Schiedam Schnapps nto the United States, a number of liquor-mixers in New York, Boston, and Philadelphia, have commenced putting up mixed and poison gin, and calling it Schnapps. BY C. C. SPENCER.

A that this well and favorably known Hotel is closed on account of the death of its late proprietor, this is to inform our friends and the public in general that such is not the case, but the business will be conducted by the family. Thankful for the very liberal patronage heretofore extended, we hope, by strict attention, to the wants of our guests, to merit a continuance of the same. [aple d&w] W.R. OWEN & CO. Mammoth Cave, Kentucky. THE HOTEL AT THE CAVE,

THE HOTEL AT THE CAVE,
which is capable of accommodating 400 persons,
is now undergoing a thorough repair, and being refitted
and furnished in a neat and comfortable style. Persons desirous of visiting the Cave during the approaching season wil find the accommodations equal
to those of the first-class hotels.
The services of the old guides, Stephen, Mat, Nicholas, ac, have all ocen secured.
The Cave will be kept in connection with the celebrated stand, the "Bell Tavern," situated about 50 miles
from Louisville, and about the same distance from
Nashville, on the Louisville and Nashville road, which
can be reached by a daily line o stages run by Carter
& Thomas to "Bell's," 7 miles from the Cave, where
conveyances will at all times be in readiness to convey
visitors to the Cave.
The Cave is situated at a healthy and romantic spot
on the banks of Green river, and has been explored in a
direct route over 5 miles, and through the various
avenues more than 150 miles.
It would be impossible to describe the grandeur and
beauty of the Cave. The proprietors feel justified in
saying that it is not equaled as a grand representative
of nature by any other curosity in the world, and they
are well satisfied that a visit to the same will well-repay
these who travel for pleasure or in search of the wonderful.

I have seen some of Dr. Price's patients. They appeared to havebeen very much diseased, almost beyond ill hopes of recovery. They now seem to be perfectly able to the covery. Bowling Green, Ky.

From Judge Wm. V. Loving, (The American Candidate for Governor). (The American Candidate for Governor).

I have seen several of Dr. Price's patients; amongs thers, Mr. S. H. Dickerson, of Monroe co. At the ime I saw him he was diseased from head to foot. The eft side of his face and neck was greatly enlarged and wollen. All of the left side of his neck, breast, and ight shoulder were a mass of fithy diseases and running sores. As he would work his arms, the air would scape from deep ulcers under his collar bones, causing lithy matter and blood to bubble out. The use of the probe had proved that some of these ulcers extended not the hollow of the body. Mr. Dickerson put himself ander Dr. Price's treatment, who administered his Dronic Specific, and, strangeto tell, a permanent cure was effected.

From Dr. D. R. Haggard, (President of the Board of Internal Improvement). Within my own knowledge, Dr. Price, who now resides n Louisville, has been signally successful in curing scrottia.
